

Stepping In Employment Preparation

About

Stepping In is designed for members of the local community who are facing challenges in their life to explore the different areas of employment available in the local area, and develop the key knowledge, skills and attitudes required for getting and keeping a job.

Topics include:

- Tools and skills to break through personal barriers and turn potential into achievement
- Increasing motivation to seek employment or further education
- Developing the mindset that employers look for in a successful candidate
- Building a personal employment pathway plan
